PETITIONING THE COURT

To issue a warrant.

The probation officer believes that the offender has violated the following condition(s) of supervision:

Violation Number Nature of Noncompliance

1 **Mandatory Condition # 2:** The defendant shall not commit another Federal, state, or local crime.

Supporting Evidence: On April 16, 2015, the undersigned officer received a voice mail from an officer with the Spokane Police Department, stating they had arrived at the offender's address to assist paramedics after Mr. Schronce had called the "VA," stating that he "was suicidal," and reported "taking some meds." The officer stated that Mr. Schronce had "locked the door on them," referring to paramedics, and then refused to answer. The officer further stated that they had spoken with a third party at the complex who stated that Mr. Schronce had recently purchased firearms, including "two rifles and a pistol."

Upon receiving the police reports, the undersigned officer was able to further investigate the incident, and received additional information in regard to the purchase of the firearms by Mr. Schronce. Subsequently, a search of Mr. Schronce's residence was conducted pursuant to his supervised release conditions. During the search, the following items were located: a Mossburg, model 590, 12-gauge shotgun, a Bushmaster model Carbon 15, .223-caliber rifle, and an Auto-Ordnance, model 1911 A1 US Army pistol.
